### Certificates

Teachers appreciate those students who work hard, do well at school or do good things for others. To show that teachers notice when students do well either academically or socially, teachers have awarded them certificates.

### After-school Activities

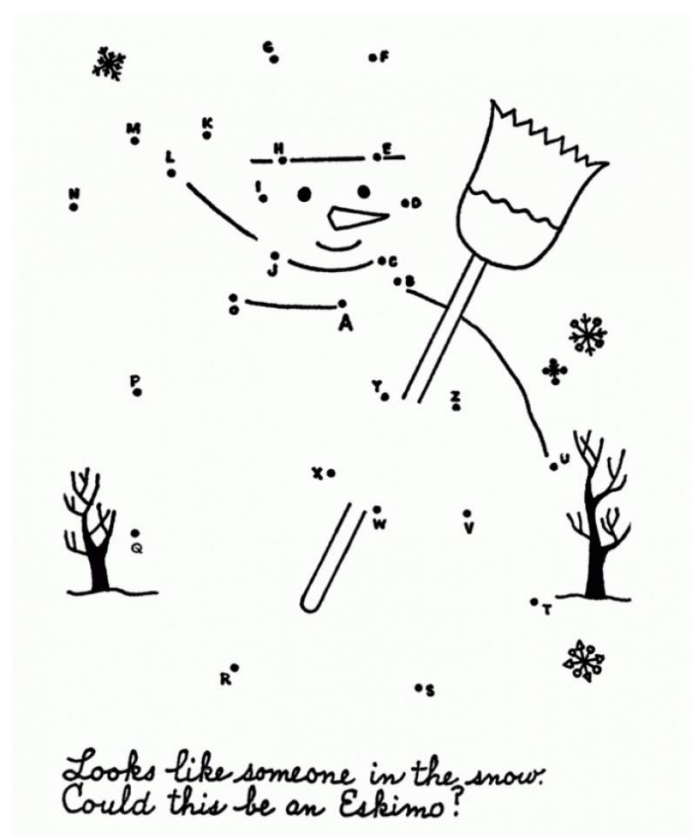

After-school activities were a great success! The children enjoyed doing the activities; playing games, dancing and producing art work and things to eat.

### Production

Ms Rola has auditioned all the children who were interested in taking part in our annual production and parts have been assigned to each one. Some of the children already have the script and should begin to learn their lines during the holiday. Rehearsals will start in the second week of term and take place every Monday and Wednesday.
