Dear Parents and children,

It has been a long time since our last newsletter. We had very little news to tell due to the corona virus restrictions. Now we are tentatively opening our doors and rediscovering the joys of assemblies and activities.

## Assemblies

On the right hand side of this page, you can see a list of the hosts of our assemblies. We would like to remind you that only the parents of the host class will be permitted to attend. Certificates are awarded to children for various reasons.

Our certificate winners were:

15<sup>th</sup> Sept, Year 6: Hager and Ahmed

29<sup>th</sup> Sept, Year 6: Fouziyah and Reenad;  
Year 4: Mohamed B. and Eleen

## Roald Dahl Day

Roald Dahl was born on 13<sup>th</sup> September 1916 and we have been reading and listening to some of the stories and poems that he wrote. On the anniversary of his birth, all the children were offered a slice of peach, in memory of his great story, 'James and the Giant Peach'. What a lovely way to start the break!

## Upcoming Events

### 6<sup>th</sup> October

Reception Assembly

### 13<sup>th</sup> October

Nursery Assembly

### 16<sup>th</sup> – 20<sup>th</sup> October

UN Week

## Important Announcement

The school will be closed from 23<sup>rd</sup> – 27<sup>th</sup> October for half-term holiday. We will be open again on 30<sup>th</sup> October.

Our certificate winners are rightly pleased with their efforts!

## After-School Activities

After-school activities have started and are very popular with all the children. Please remember to be on time when you pick up your child.

## Bake Sale

Year Six have taken up the baton and have organised a 'Bake Sale'. For those of you who are new to the school, and for those children who cannot remember, this is a voluntary activity, when the children of the Year 6 class bake (or get someone else to bake) savouries and cakes to sell. The profit from these sales is collected and given to the Cancer Ward of the Children's Hospital. We would like to thank everyone who has contributed to this, whether that is by baking, or buying these goods. We raised 701 LYD and will add to it with more sales at a later date. It is important for us all to remember how lucky we are and to help those who are in need.

## Year Three

Year Three has been very busy with Art work, in which they made lamps; with Science, in which they looked at the school environment, and with 'Show and Tell' times. Check out all the information and photos on the school website.

## Year Five

Year Five has also been busy in Art and Science. They did a mouldy bread experiment in their Science lessons and paper weaving in Art and made Smiley faces.

## In the Community

### Bake Sale: September

Cakes and savouries were sold in order to raise money for the cancer ward of the Children's Hospital.

### Bazaar: December

The BSB and BES are organising a bazaar at the beginning of December. All the proceeds will be donated to the Children's hospital. You will be informed of the details at a later date.
