- Living and Non-living things

Geography

- The Seasons, namely: Summer, Autumn, Winter, Spring

History: Florence Nightingale
Worksheets about her life are completed

Math

In our Math lessons we will learn the following:

- Shapes: 2D shapes and 3D shapes
- Money – Pence and Pounds introduced
- Doubling and Halving of numbers
- Introduce Problem solving with Addition
- Adding and Subtraction of 2 digit numbers

PROBLEM SOLVING

Ahmad and Omar went to the store to buy pencils. Ahmad bought 20 pencils and Omar bought 12 pencils. How many pencils did they buy together?

Number sentence:: $20 + 12 = \dots$ pencils.

DOUBLING

Adding the same 2 numbers:

Example: $10 + 10$
 $6 + 6$
 $20 + 20$

Class Assembly will be on 21st November.
