

Year 5 - Class News

Date: February 2025

Dear Parents,

Here is the outline for what we are going to do and cover for the month of February. Please make sure your child is on time every day at school. Many times we write a test the first lesson and unfortunately no extra time will be given to complete the test. Wearing school uniform is also very important. We understand that it is cold, but your child can still wear uniform. Please make sure to check your child's books daily and kindly help them with their homework. Remember to check ClassDojo as well. Thank you very much for your support and efforts.

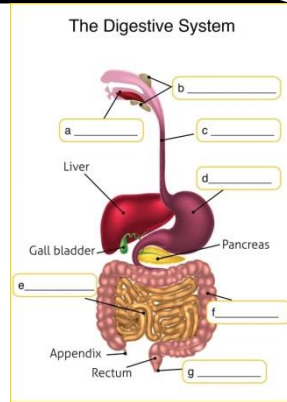

Ms Juliana
